We encourage all attendees to join us in the Zoetis Lecture Hall (Viewline Ballroom Salon 1) for the Registration and Opening Ceremony from 7:00pm-9:00pm on Saturday, February 5th. A wine and cheese reception will be hosted while attendees check in and receive their registration packets. In your registration packet, you will also receive any tickets you ordered and lift ticket vouchers. Check in will continue throughout the conference every day.

LIFT TICKETS

Lift Ticket Pickup:

If arriving prior to 7:00pm on Saturday, February 5th, you can pick up your lift ticket vouchers at the Viewline Resort Front Desk. Please tell them you are with the VOS and give them your first and last name for pick up.

Otherwise, all lift ticket vouchers will be handed out during registration check-in with your registration packet. For the 6 and under children, they may pick up their tickets at any of the ticketing offices. Follow the instructions below for how to redeem your voucher.

Vouchers are redeemable at any lift ticket office or Four Mountain Sports for your preferred number of days; they will be set-up under the Group Name and have no cash value.

- Group lift tickets will not work in Aspen Snowmass prior to the first day of skiing for your group, which is indicated on the lift tickets (2/3). Group lift tickets will only work during the time your group is in resort.
- Group members should take a picture of their ticket showing the ticket identifier (ASP#). A ticket cannot be replaced without this ASP#.
- We encourage group members to keep their lift ticket in their jacket pocket at all times - separate from their phone and/or wallet - not to interfere with their group lift ticket (Radio Frequency card) from scanning at our lift gates.
- Please make sure group members do not punch holes in their lift tickets, as they will not work at our Radio Frequency gates.
- Group members are able to purchase 1 extension day in resort by visiting a ticket office and presenting their completely used multi-day group lift ticket. The extension day for your group is priced at Adult \$158/day and Non-Adult \$111/day. Group extension will only be valid during the time your group is in resort.

Aspen Snowmass Guarantee – We guarantee guests have nothing to lose, even if they do not use all their days by providing the opportunity to return partially-used lift tickets, within 14 days of expiration, and receive an in-resort credit toward future Aspen Skiing Company purchases. When unused days on lift tickets are put into an in-resort account, guests receive monetary credit of the per day price of the unused days. Guests have the current season plus the season immediately following to use their in-resort credit. This credit may be used toward purchases of lift tickets, season passes, ski and snowboard school tickets, and toward rentals at Four Mountain Sports. Credit is not valid on merchandise purchases or at restaurants. In-resort credit is transferable; guests simply need to inform Aspen Skiing Company who will use the credit and we will put it in their name.

Ski Race:

The WVOC Winter Games (aka Frank Rapp VOS Memorial Ski Race sponsored by Movora) will take place on Wednesday, February 9. The ski/ snowboard race will include individual and team events, with athletes racing under their country's flag. In the spirit of collaboration, there will also be the opportunity to form mixed-country teams, racing under the WVOC flag.

New this year: Registration will be online using the QR code below. You can sign up now or at the meeting. There is no fee to register and you can register as an individual or team.

When you sign up to race, you will receive a WVOC/VOS neck gaiter (please pick up from Heidi at the registration desk). These are double layer, high quality, warm, and look fantastic! We want as many spectators as possible cheering on our racers, so all spectators will also receive a free neck gaiter! (If you want a gaiter but don't make it to the race, they will be for sale for \$9.00 each for as long as supplies last). Racers will also need to pick up a bib from the registration desk.
